RULES

Each player is given \$5000 to wager on props. Wagers must be made in \$100 units. All listed paybacks are based on a \$100 unit bet. For simplicity, players can simply write the number of \$100 units for each bet. EX. a \$200 bet would be marked as "2". a \$400 bet would be marked as "4".

A player **MUST** have at least 2 wagers in each of the 5 sections. The **maximum bet** on a single prop is \$500. The **mimimum bet** is \$100. Thus, each player **MUST** make a minimum of 10 wagers & may make a maximum of 50 wagers.

To score, simply multiply the return on winning bets by the number of units wagered. Losing wagers are simply ignored. Ex. The National Anthem lasts 86 Seconds. A player has a 3 unit wager(\$300) on the under paying 91. The return is 3 X 91 = \$273. Any over wager scores nothing.

If there is a pool, the following split options are suggested:

Small Group Option Winner take all

Large Group Option Winner 50% 2nd place 30% 3rd place 20%
